

HUMANE Round Table

Dear HUMANE Chairman and Network Manager,

as you know in 2006 Ines Fabbro's tenure at the Round Table of HUMANE is coming to an end.

Due to Ines' heavy work load in her big-size university in Bologna, she asked to be risen from her commitment at the Round Table and to be substituted by another colleague.

Following her request I wish to propose the appointment of Pasquale Mastrodomenico to take over.

As you all well know Pasquale has followed regularly HUMANE Seminars and he has set up good relationships with all European colleagues.

CODAU is pleased to thank Ines Fabbro for her relevant contribution in representing the Italian colleagues in HUMANE.

Best regards,

Giuseppino Molinari

President Codau
